The Rosary – Our Lady’s School on the interior life and sanctity. The Rosary is a powerful prayer for all who desire to pray – from beginners to mystics. But to pray it well, we must learn to enter into authentic Christian meditation. To that end, we will look at the Rosary with a reference to the teaching of St. Teresa of Avila, St. John of the Cross, and other great saints. We will draw from St. John Paul II’s own method and recommendation to pray the Rosary as explained in the excellent book, *“The Rosary: John Paul II Method”* by Robert Feeney (Aquinas Press) and, in addition, to the traditional teachings on prayer as taught in the *Catechism of Mental Prayer* by Fr. Gabriel of St. Mary Magdalen, OCD and *Ten Series of Meditations on the Mysteries of the Rosary* by Rev. John Ferraro.
