## SUPPORT US

The Sycamore Tree has been supported for the past 35 years solely by those who feel motivated through the generosity of their hearts. Donations, volunteerism, and retreats are the primary means of support. The Sycamore Tree does not receive funding from the local diocese or any institution.

As much as possible, we operate by freewill offerings in the spirit of the Gospel: *"You received without charge, give without charge."* (Mt 10:8 JB). This proclaims the lordship of God and our dependence on His Providence. It also expresses trust in the generosity of those who use The Sycamore Tree and want it to survive and bear fruit.

All gifts in any amount are received with gratitude, and the benefactors are remembered in our daily prayers and at the weekly Mass offered for them. The center is a 501(c)(3) tax-exempt organization; your financial donations are deductible as allowed by law.

Thank you for your kind support, and please include us in your prayers.

DEO GRATIAS!

# PRAISED BE JESUS CHRIST!

The Sycamore Tree Catholic Retreat Center exists to provide solitude and silence, where one enters into a deeper personal encounter with Christ.

*“So he ran ahead and climbed a Sycamore tree in order to see Jesus, who was about to pass that way.”*

(Luke 19:4)

The Sycamore Tree is tucked away on 30 wooded acres in the scenic Swan Valley of northwestern Montana.

# WELCOME!

We warmly welcome our guests who venture “off the beaten path” to seek Christ in solitude and prayer at The Sycamore Tree. You may choose to make a private retreat in one of our guest cabins for a time of prayerful silence or join us for a group day of recollection.

## Our Sacramental Life

Our schedule includes daily Mass, depending on priest availability, the Liturgy of the Hours, and daily adoration of the Blessed Sacrament. Guests are invited to join us for any of our times of communal prayer.

## Retreat Cabins

We have five modern retreat cabins, a small guest house, and the “hut” available for guests.

*“Few places have spoken to me more clearly of ‘God with us’ than The Sycamore Tree. It is the perfect setting for prayer, reflection, and a deepening experience of the love of God.”*

EWTN Host and Founder of Women of Grace ®

# SPONSOR A PRIEST OR SEMINARIAN

*“The Priesthood is the love of the heart of Jesus.”*

*- St. John Vianney*

A “new leaf” is sprouting at The Sycamore Tree which promises to bear good fruit for the Church. The Sycamore Tree provides a secluded place of silence and solitude for prayer and renewal, which our seminarians and priests vitally need to maintain their spiritual life.

With a gift certificate to The Sycamore Tree, you can sponsor a seminarian or priest. It can be offered as an ordination, anniversary gift, a birthday gift, or just a simple “thank you.” Please see the website or contact The Sycamore Tree for the suggested offering.

Please pray for our priests, seminarians and for new priestly vocations!

*“My retreat could not have been better. Thank you for your warmth, friendship and for all you did to provide an atmosphere conducive for a well-lived retreat.”*
